Taking Action in Bramalea-Gore-Malton

Malton Neighbourhood Services (MNS) is a non-profit, charitable organization that has provided settlement and community support services since 1975. MNS recognizes the diversity of its community, offering services to language and cultural groups including Somali, Twi, Hindi, Punjabi, Urdu, Tamil, Arabic, Tagalog, Spanish, and Italian. It also serves clients from the Caribbean and Africa.

MNS is committed to developing, creating, and promoting opportunities for those it serves through the sharing of information and resources; formation of partnerships; community planning, support and advocacy; training and education and community economic development.

Although MNS provides emergency food supplies in partnership with the local food bank and a Housing Resource Centre for those who are homeless or on the verge of homelessness, it tries to assist with the issues that cause homelessness, including barriers to employment. It offers an intensive, three-day Job Search Workshop that teaches newcomers about finding work in Canada, the Canadian labour market and work cultures, and workers' rights and employment standards. It also assists clients in obtaining accreditation of qualifications and in identifying opportunities for upgrading. Even in its after-school programming, MNS stresses (directly and indirectly) the importance of staying in school and obtaining qualifications.
