## Action on Poverty Profile

Provincial  
Riding  
Profiles

### Story Behind the Stats

The Oak Ridges-Markham riding spans parts of Markham, most of the Township of King, and all of Whitchurch-Stouffville and Oak Ridges (north Richmond Hill).

It is a very diverse area and has been rapidly changing with the proliferation of large building developments and the absence of affordable homes or rental accommodation. Increasing numbers of families are mortgage-poor, leaving very little income to meet other needs, or at risk of eviction and homelessness. Due to insufficient family incomes, children and youth are often left with few to no options for recreation outside of school activities, face few options for employment, and cannot find affordable housing when (and if) they eventually leave home. There is also an estimated 300 homeless youth in York Region with only 27 shelter beds available.

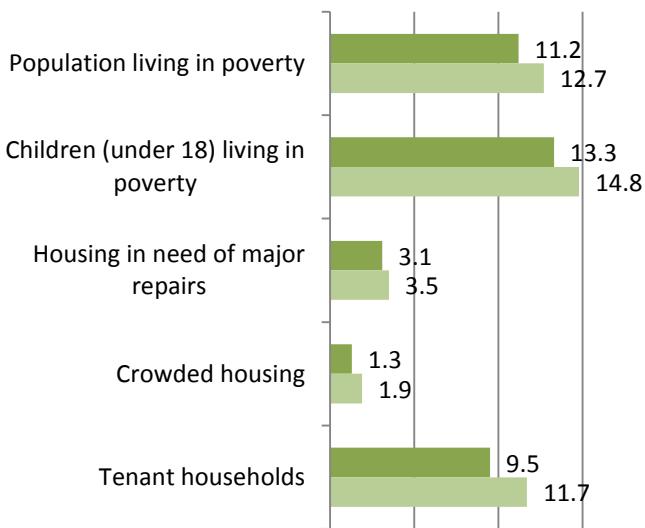

**169,645 people live in  
Oak Ridges-Markham  
18,816 live in poverty – 11.2%\***

**“All it takes is one bad decision for youth to get on the wrong path in life. Pathways staff and volunteers are here for the youth when those decisions happen, to provide them with the supports they need to get back on the path of success.”**
